Boy Scouts Will Lead Parade

The parade Monday for the Fourth of July exercises will be led by the Local Troop Boy Scouts in uniform. Scout Master Bowes has issued a call for every boy who has a uniform to appear at scout headquarters at 8:30 to prepare for the parade which will form at 9:30 at the freight station.

The business men have generally responded to a call to come out and march for Old Glory. They will be dressed in light costume, short sleeves, wearing a shirt waist and each marcher will carry an American flag. The route of parade has not yet been announced but the body will proceed over the principal streets and land at the band stand where an address will be made by Charles Whitten of Greensburg, Pa. There will be martial music and uniformed fraternal men in line.

When the procession arrives at the Sixth street park, a program will be rendered. Mr. Whitten will make his speech about 10:30. There will also be music and introductory remarks. It is not the object to have a rousing big time like Monessen has had in the past, but rather to teach the lessons of patriotism to the generation coming on. To remind them lest they forget the cost of the flag, the sacrifices that were made in order that the American people might enjoy a full measure of freedom. At this time when one half of the human race is engaged in extermination, our emblem is more precious, our lessons should be to separate ourselves in spirit from these concrete examples of woe, waste, want, misery and death. Come out fellow citizens and help make the affair a success and honor to yourself, your town and your country.

Councilman Named As Correspondent

Wednesday morning the libel in divorce was filed in the prothonotary's office by James Reese of Monessen against his wife, Jennie Reese, nee Jennie Cardo.

Mr. Reese names J. W. Cartwright, a local councilman, correspondent. Reese sets forth that the couple were married in 1906 and that since that time his wife has been guilty of adultery with J. W. Cartwright and others, and he asks for an absolute divorce and the custody of their only son, Frederick, aged seven years. The application asks that a master be appointed to take the testimony. The hearing has been set for August 9th.

Mr. and Mrs. Reese have been separated several months and Mrs. Reese is said to have located in Monongahela for a time, but later disappeared. Mr. Cartwright, whose name has been connected with the woman, is a member of the council from the Third ward, and until a few weeks ago resided with his family. He has not been seen since last Saturday.

K. G. Barkoot Collapsed

K. G. Barkoot, owner of the Barkoot Shows, now exhibiting at the carnival grounds at Wireton, suffered a nervous collapse late last night and is now under the care of a physician at his private car. Mr. Barkoot has been greatly worried over the trouble around the wrestling tent at the grounds and this coupled with several other distressing events was the cause of his collapse. The Barkoot shows have been on the road for twenty weeks, and this is the first time any serious altercation has arisen between members of his company and patrons. The management of the shows will ask for a return date here providing the shows are allowed within the city limits, so that proper police protection will be available.

Water Company Denies Boosting Of Rates

This office has been flooded with complaints about the new schedule of water rates that are being sent to consumers throughout the town. One man has an eight room house and is charged $42.00 a year. Another is raised from $18.00 to $36.00, and still others are raised proportionately. Those who have received new schedules are up in arms about the price they fear they will have to pay. A number have gone to the water company and some adjustments have been made, while many rushed to the newspaper office in order to have their grievances aired, and to proffer their services to make a fight through the public service commission.

W. W. Darby, local superintendent of the Tri Cities water company, called at the Independent office this morning to explain the company's side of the question. It appears that an inspection of the entire town has just been made with a view to ascertain the places where a greater quantity of water is being used than is specified in the contract and where two or more families have gone together. The changes Mr. Darby claims only effect such places. There is no advance in the price of water from the schedule that has been in force, he says, and that all contracts will be based on this scale of rates. Should a meter be installed, a minimum rate of $3.00 will be placed on each house. He denied the statement in this paper of yesterday that the company is trying to enforce a meter system. Mr. Darby further stated that the company stands ready to make proper adjustments and asks the consumers to call at the office of the company. He admitted there might be clerical errors in making up the schedule, and that in this way some of the trouble was caused.

If any of the readers of this paper have a just complaint and enter it with the water company, and the same is not adjusted consistent with the statements of the company's representative, we will be glad to receive such complaint at this office for the purpose of collecting evidence to place before the Public Service commission should the complaints be sufficiently numerous and show that excessive rents are being charged or that the company is discriminating among its consumers or violating its contract.

Funeral Tomorrow

The funeral of William Laird, the 16 year old lad who met death while riding a freight Thursday night, will be held from the home of his parents, Mr. and Mrs. James Laird, Jr., at the corner of Schoonmaker avenue and Delaware street Sunday afternoon at 2 o'clock, with Rev. J. B. Swain of the Christian church in charge. Interment will be made in the Belle Vernon cemetery and a special car will be used to take the remains and friends and relatives of the deceased to that place.

They Found it Out

The Washington party has made the public confession that "it has served its purpose." Most people of course knew that, but the voters at large can breathe a sigh of relief that the leaders of the party have at last found it out. It takes some people a long time to wake up, but now that these fellows have actually announced that they have rubbed their eyes and looked around,let it be observed that they already are asking some consideration from the Republican party, regardless of the fact that they made an assault upon it less than two years ago. It will be hard sledding for Republican voters will hardly have confidence enough to turn the party reins over so soon. It should hardly be expected.

But there is a call for a united Republican party. The experience of the last Presidential election when Roosevelt bolted his party and placed Democratic policies in our national government precipitating a panic has aroused the party leaders to a call for a reunited party. This call is general and is being responded to everywhere.

Men who deserted the ranks are glad to come back home and lend their support to re-establishing normal business conditions and restoring the country to protective policies. But the danger for the safety of this party lies with the defeated candidates. It takes defeated candidates to start a new party and there are so many of them now throughout the country that it is hard to prophesy how long any party can remain in tact. The chronic office seekers or the personally ambitious are the fellows who breed discontent.

What will the Harvest be?

A dispatch from Greensburg says that Jack Shields is back from Gary Indiana, where he spent several weeks attending to business matters prior to entering the campaign for sheriff of Westmoreland county.

Shields according to the dispatch, has rolled up his sleeves above the elbows and with his fighting spirit is back in politics.

What will the Greensburg Tribune have to say now? Has it spilled all its venom on Shields or will it tirade as in the campaign when he ran for commissioner. W. Dick Reamer, despised by the Tribune, is a candidate for County Commissioner. Both of these men are strong factors in the Republican party. They have demonstrated that in past campaigns and it is doubtful if either has lost any of the fighting spirit or political prestige. The Tribune claims to be the heart of the Republican party in Westmoreland county. It poses as the slate maker of the party, but if the party fails to nominate its chosen men, it bolts the ticket. It steps out alone, points out the men the people have chosen and says they are unfit to serve.

It will be interesting to watch the wiggling tactics of this Republican organ in the next few months, for this will he one of the most peculiar campaigns ever waged in Westmoreland county. A wet and dry fight for judge and men despised by the self appointed official party organ seeking the nomination for important offices. With all this in the political atmosphere what will the harvest be?

Bull Moose Party Has Passed Away

It has been officially announced at Greensburgh that the executive committee of the Washington party of Westmoreland county had reached the conclusion to register as Republicans for the approaching primary election, reunite and vote with that party. As a result of that decision the former Washington party workers and the voters generally of the party will be urged to follow the course adopted by the executive committee which has been active in promoting the party's interests.

At a meeting of the members of the executive committee at the Fort Pitt hotel at Pittsburgh, on Wednesday atfernoon it was decided that a return to the Republican ranks of all the members of the party in Westmoreland county was the proper course to pursue, and of the 18 members of the company in attendance at the meeting, there was not a dissenting voice. It was considered that the end strived for had been reached, and that in the future the old party should find the members of the committee and their supporters at work in its interest with all their old zeal.

Some of the adherents of this party have already expressed that they want office. They now believe in the principles of the Republican party, although the party has not changed one iota and this truth is well known to every man who knows anything about a party. It is individuals and not parties that change. At any rate, welcome back home, prodigals.

MOTHER OF SCHOOL GIRL

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Daughter's Health.

Plover, Iowa.—"From a small child my 13 year old daughter had female weakness. I spoke to three doctors about it and they did not help her any. Lydia E. Pinkham's Vegetable Compound had been of great benefit to me, so I decided to have her give it a trial. She has taken five bottles of the Vegetable Compound according to directions on the bottle and she is cured of this trouble. She was all run down when she started taking the Compound and her periods did not come right. She was so poorly and weak that I often had to help her dress herself, but now she is regular and is growing strong and healthy."—Mrs. MARTIN HELVIG, Plover, Iowa.

Hundreds of such letters expressing gratitude for the good Lydia E. Pinkham's Vegetable Compound has accomplished are constantly being received, proving the reliability of this grand old remedy.

If you are ill do not drag along and continue to suffer day in and day out but at once take Lydia E. Pinkham's Vegetable Compound, a woman's remedy for woman's ills.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Held For Court

James Norton and Robert Hughes, suspects of being in the fight at the carnival when a local man was struck over the head with a club, were dispatched to Greensburg today where they will await their trial. The injured man is still in the hospital and may recover.

Both men deny their guilt. They were given a preliminary hearing yesterday before Squire Watkins and were not admitted to bail as the assault is of such an aggravated nature that it may result in murder, etc.

The men claim that they have been with the carnival the past three years and that neither saw the fight and that their arrest was due to the fact that they both wore shirts with a large black stripe which answered to the description of the one worn by the man who struck the blow.

ED.", a fine comedy with Jane Gail. The final episode of "THE BLACK BOX" which they say is a wonder. and which will be succeeded by an incomparable serial picture "THE BROKEN COIN." This picture is more than I can say unless I publish a book of 1,000 pages, so you watch all next week. At every corner you will see a poster about "The Broken Coin" and "THE DIAMOND FROM THE SKY." They say that there is no picture in the market to be compared with these two serial pictures, "The Broken Coin" and "The Diamond from the Sky," although I personally think a greot deal about "THE EXPLOITS OF ELAINE" as well as about "WHO PAYS?" Yet it is told and admitted that they cannot come up to "The Diamond From the Sky" and "The Broken Coin." For Monday we have one more picture of three reels, "THE BREATH OF ARCADY."

Tuesday—Another banner day for the Olympic—"UNDER THE CRESENT," No. 4, "FOR THE HONOR OF A WOMAN." in two reels, featuring the famous American lady, wife of the Sultan Ruler of Egypt, Princess Hassan, telling her thrilling mysterious experiences while in the Sultan's harem. CHARLES CHAPLIN in one of his best comedies, and "FRAUDS" in three parts, an Essany production. 1t

Monessen Liberal

In bold, black figures the amount that went from Monesesn to the Belgian relief fund was $5,188.69. The check was forwarded a few days ago. Monessen pledged 500 sacks of flour or $1,000, but for every one sack pledged, it sent more than five.

Monessen stands the highest on the list of any town outside of Pittsburgh, yet it made the lowest pledge. Monessen people gave liberally of their blessings. People who could hardly afford it helped to swell the fund.

—Miss Amelia Pehl entertained the members of the Luther League at her home, at 220 McKee avenue last evening. About forty guests were present and enjoyed the evening with a musical and literary program. A dainty lunch was served at a late hour. The house was tastefully decorated with ferns, Japanese lanterns and flags.

Miss Elizabeth Skirpan returned home from Chicago on Thursday Miss Skirpan has been devoting the past year in study to fit herself as a nurse at the St. Mary's Hospital in Chicago, and has shown such aptitude that she was placed in one of the most important wards of the Hospital. She has a month's vacation and will then return to her work, and if enthusiasm counts, it is safe to predict that she will make a proficient nurse.
